Are you smarter than a fifth grader? Well, the Morgan County Board of Education answered that question at the regular board meeting Monday when board members suffered a 2 to 8 loss at the hands of the Morgan Central Elementary Academic Team during a challenge competition with MCES's district champs. Board members are, standing from left, Marshall Jenkins, Patty Hutchinson, Jim Nunnery, Superintendent Joe Dan Gold, Mike Dalton, and Delores Luke. Members of the academic team are seated at table.

Board loses academic challenge

By Miranda Cantrell

The Morgan County Board of Education during its May 12 meeting at Morgan Central Elementary School participated in an interactive competition demonstration with MCES academic team members.

The team, which won its first district championship in March, set up its buzzer system and challenged board members to a brief quick recall match.

The fourth and fifth graders

defeated board members in the 10-question game, which simulated an actual academic team meet.

The MCES academic team is coached by teacher Robin Dickerson. Team members are Amanda Stacy, Abbie Vibar, Zack Gullett, Savannah Johnson, Jenna Price, Kayla Bates, Derrick Easterling, Jasmine Lykins, and Emily Howard.

Board member also heard a presentation from MCES Principal Janea Chaney, who gave a

detailed report on the school's accomplishments this school year.

Reading First Coach Sylvia Carter also gave a brief overview of accomplishments achieved through the school's Reading First program.

Two out-of-state travel requests were approved for Carter to attend Reading First conferences in Chicago, Ill., and Nashville, Tenn.

Breakins continue; two business places, residence latest victims

Law enforcement officials continue to investigate a string of thefts reported throughout the county in recent weeks, including burglaries at two businesses and at least one home late last week and this week.

Phipps Mobile Homes, located at 271 Revis Rd. at Greear, was burglarized at approximately 9:30 p.m. Sunday, May 11.

Owner Ivette Phipps, who was not at the scene when the crime took place, said residents of the nearby Revis Barker home told

her two men in a white Chevrolet S-10 pickup truck pulled into the Phipps Mobile Home lot and approached the Barkers.

"The men asked the Barkers not to shoot," Phipps said. "They told the Barkers that they had driven from Columbus, Ohio, and were late for an appointment at Phipps Mobile Homes. They proceeded to load up and take over 50 tires and wheel rims valued at approximately \$2,500 from the lot."

Phipps noted that other resi-

dents of Revis Road said that men in a white Chevrolet S-10 pickup truck also approached them with a similar story in the weeks prior to the burglary, but drove away without disturbing the lot.

Phipps Mobile Homes was previously burglarized last December when an unknown perpetrator(s) stole approximately \$1,000 cash from the business office.

Democrats will select nominees at primary election next Tuesday

At last, Ky. Dems may be a factor in picking presidential candidate

With the Democratic nomination still undecided, how Kentucky Democrats vote in next Tuesday's primary for the first time ever could have a significant bearing on the selection of their party's presidential candidate.

U.S. Senators Barack Obama and Hillary Clinton are locked in a dead heat and selection of this year's Democratic candidate for the Oval Office is expected to go down to the wire.

Political insiders believe Clinton is a cinch to carry Kentucky. Clinton's strategy has called for her to gain the edge in total popular vote by racking up big margins in Kentucky, as well as other remaining primaries, including Puerto Rico and Oregon, another key state. But Obama, who currently leads nationally both in the number of committed delegates and the popular vote, is conceding nothing and has mounted a well-organized campaign in the commonwealth.

Despite the potential significance of Kentucky's vote, observers here say they have noted little enthusiasm locally for either of the Democrat candidates.

Though his name will appear on the primary ballot next Tuesday along with a number of others, Senator John McCain has already locked up the Republican presidential nomination.

Morgan County Democrats also will vote for a nominee to challenge Republican U.S. Sena-

Four precincts to have new voting places Tuesday

County Clerk Randy Williams announced this week that voting locations for the Wrigley, Caney, Salem and Chapel voting precincts have been moved to new locations.

Voters in the Wrigley precinct who participate in next Tuesday's primaries will vote at the Wrigley Fire Department.

Voters in the Caney precinct will vote at Morgan County High School.

Voting booths for both the Salem and Chapel precincts will be located at the new Morgan County Central Elementary School.

for Mitch McConnell in the fall, as well as nominees for State Senator in the 25th Senatorial District.

Democrats Pete M. Frye of Campton and Michael "Whitey" Adkins of West Liberty are seeking the Democrat nomination to face Republican Senator Robert Stivers of Manchester in November.

Polling places will open next Tuesday at 6:00 a.m. and close at 6:00 p.m.

Sample ballots listing the names of all candidates on both the Democrat and Republican ballots and their positions on the ballots are published elsewhere in this edition.

Last chance to sign for Phase 12 waterline project

The Morgan County Water District announced this week that due to a lack of signups, the following roads will be dropped at the next board meeting June 2:

Wilson Cemetery Road, Mortica Branch, Trace Fork, Benton Branch, Halsey Branch, R. Stacy Road, Nickels Branch, Caskey Branch, Robinson Branch, Muddy Branch, Splitwood Branch, Pasture Branch, Keeton Branch, Left Fyffe Branch.

Residents who want to keep any of these roads in the Phase 12 Waterline Project are urged to come to the Water District office and sign up today. The selection process depends on new customers signing up. Don't let your road be dropped for lack of signers.

The cost is \$590 for tap-on fee and the deposit is \$50.00. Tap-on fee can be paid in full or the staff will work out a payment plan to fit residents' needs.

The Morgan County Water District is located at 408 Prestonsburg Street, formerly the Kennedy Library building. If you have any questions, the staff will be happy to assist you. The phone number is 743-1204. The office is open Monday through Friday from 8:00 a.m. to 4:00 p.m.

This is the last chance before this opportunity slips away.

Back to the Farm Day set May 28

Concern over increasing food prices has many showing a renewed interest in growing their own food. In response, the Morgan County Extension Service is planning a "Back to the Farm" demonstration evening to offer an opportunity for new and experienced farmers and gardeners to see firsthand the many options available for growing and safely preserving food.

The "Back to the Farm Day" will be Wednesday, May 28, and is tentatively scheduled to be held at the Morgan County Fairgrounds. Registration and free hotdogs will be at 5:00 p.m.

Planned are half-hour programs between 6:00 and 8:00 p.m. on Raising Your Own Eggs, Pond Management, Raised Bed Gardening, Composting, Pig Health, How to Preserve Your Harvest, and several others.

Featured demonstrations will be a Chicken Tractor and a Garden Tiller to lay plastic mulch and irrigation lines.

Sorghum Festival planning begins

It's not too early to begin thinking and planning for this year's annual Morgan County Sorghum Festival. The Festival draws thousands of visitors to the community each year on the last full weekend in September. Many recall the fascinated crowds of on-lookers who each year stopped to watch such artisans as the late Carrie Shaver, shown here demonstrating her spinning skills, circa the 1980s. Many of those artisans who helped shape the Festival have passed on, but the event continues to draw new ones and new crafts for display and sale under the big tent on Main Street. Serving as co-chairs for this year's Festival are Belinda Jordan and Judge Executive Tim Conley, who welcome suggestions for improving the festival as well as volunteers to help with the planning.

Weather watcher Kiwanis guest

Tom Johnstone, above, weather warning coordination meteorologist with the National Weather Service Office in Jackson presented the program at a recent meeting of the West Liberty Kiwanis Club. His duties at the Jackson station are to manage the severe weather outreach and community preparedness programs. He presented a program on severe weather spotting and safety. A major part of his job is to survey damage after outbreaks of severe weather in this region.

Morgan County Schools build child abuse awareness

Poster contest winners are recognized

During the month of April the students of the Morgan County School System worked hard to build awareness of Child Abuse and offered parenting tips to prevent abuse. Elementary students recorded public service announcements sponsored by KICK 102.9.

These young students also participated in a poster contest regarding Child Abuse. On April 16 all elementary students released blue balloons in honor of children that have suffered due to abuse and neglect. Morgan County middle school students raised money via a penny drive to donate to our local Growing Up Safe Committee (GUS) in hopes of helping children in need. Morgan County High School students made blue ribbons and placed them on the doors of businesses as a reminder to the public to help prevent child abuse. We would like to thank all of the students for their dedication toward this project and the wonderful sponsors that make it possible; KICK 102.9, Commercial Bank, Bank of the Mountains, and Licking Valley Courier.

Big copperhead

Harold Goodpaster of Kellacey got a big surprise last Friday evening from the 35-inch copperhead snake he's holding. He was surprised by the snake, which struck at him in the driveway between his residence and his barn about 8 p.m. After dispatching the snake with a nearby piece of metal pipe, the Goodpasters remain wary; experience has shown that the snake's mate is likely to remain in the same vicinity.

Mongiardo says he backs Obama

Lt. Gov. Daniel Mongiardo let it be known Sunday that he is backing U.S. Senator Barak Obama in Kentucky's May 20 Democratic primary.

"I believe Senator Obama can unite the Democratic Party and build a coalition of independents and Republicans to win in November," Mongiardo said in a statement. "A proven leader at working across the partisan aisle, he will bring relief to the hardworking families of Kentucky and a responsible end to the war in Iraq."

Mongiardo, a former Democratic State Senator from Hazard, ran with Gov. Steve Beshear in the 2007 election. Beshear will serve as a superdelegate at the Democratic National Convention in August, but hasn't announced which Democratic presidential candidate he will support.

Mongiardo is not a superdelegate.

Breakins ...

(Continued From Page One)

Mobile Homes theft, invaders broke into BJ's Kwikstop, located at 3469 Hwy. 460 West at Greear, at approximately 2:30 a.m. Monday, May 12.

BJ's Kwikstop Manager Lacey Elam said burglars broke the store's glass door with a cement block and stole several packs of cigarettes and cartons of pop.

No employees were in the store when the burglary took place.

The home of Teresa Johnson, located at 1491 Hwy. 205, was burglarized on Thursday, May 8,

possibly during work hours.

Johnson, who is an employee of the Morgan County Area Technology Center located on the high school campus, said she left her home for work around 7 a.m. and did not return until 7 p.m.

Upon returning home from work, Johnson said she saw that perpetrator(s) entered the home through a front window that she left slightly open and took several items including an mp3 player, a knife and some jewelry.

The burglars exited the home through the front door.

These incidents came after two homes at Greear and Woodsbend were burglarized twice on April 24 and 28, in addition to several reported break-ins and attempted break-ins in the Malone, Cannel City and Adele communities since April 24.

Anyone with information regarding the break-ins is urged to contact the Kentucky State Police at 606-784-4127, or Sheriff Mickey Whitt at 606-743-3613.

No major injuries reported in Wolfe bus crash Friday

No major injuries were reported following a minor bus crash in Wolfe County last Friday morning.

Kentucky State Police officials said John Turner, 18, of Campton, was operating a 2000 Dodge Neon west on Profitt Fork Road when he collided with an east-bound Wolfe County school bus operated by Steve Koutoulas, 43, of Campton.

According to the police report, the bus was transporting an unspecified number of students who were mostly high school age. One student may have been injured, but was not transported from the scene by local EMS.

Police said wet and narrow roads may have contributed to the crash. No charges resulted from the accident, or are pending as the investigation continues.

Circle's Mother-Daughter dinner at Walls of Grace

The Margaret Stacy Circle of the United Methodist Church met for their annual Mother-Daughter dinner on Tuesday, May 6. This meeting was held at the Walls of Grace Tea Room. The meal and everything was wonderful, so thank you Mike Frisby and all those who helped to make this a very special night.

Kara Elam welcomed everyone and Kathy Walter opened the program with a prayer. Kara then read a story about mothers and daughters and she changed it so it would be about her mom and herself and her sister. At first she and her sister thought their mother was mean because she had them doing all sorts of things they didn't want to do and she would discipline them when they didn't mind. But now that they are older they appreciate the things their mom taught them and it has helped them to have a better life and they thank her for the things she taught them.

Barbara Ison introduced our guest, Andrea Trusty, who sang for us. She has a wonderful voice

and we wish her well in her singing career and her travels.

We then enjoyed the food and fellowship after Jeanene Jett blessed the food.

Those attending this special meeting were Jeanene Jett, Anita Wheeler, Bev Bell, Erica Glass, Emily Elam, Heather Johnson, Pauletta Wells, Jean Click, Sallie May, Margaret Reed, Anita Hunley, Helen Pennington, Letha Nickell, Anna Jean Allen, Rita Vest, Laura May Vest, Ann Wheeler, Peggy Weddington, Mae Oldfield, Lelia Trusty, Andrea Trusty, Suzette Oldfield, Barbara Ison, Kara Clay Frederick, Sandra Frederick, Jonell Tobin, Lori Keeton and Carolina, Judy Elam, Lois Smith, Kathy Walter, Kara Elam, Margaret Wheeler, Jenni Ison, Brenda Smith, Mary Kay Elam, Pam Rose, Rose May, and Tami Osborne.

The closing prayer was given by Jennie Ison.

Juvenile arrested for bomb threat

STANTON — A Powell County juvenile was arrested last week for allegedly making a bomb threat against the Powell County School System on May 7.

State Police said the juvenile confessed to making the threat. The youth was charged with terroristic threatening first degree and was lodged in the Breathitt County Detention Center.

A search was conducted at all five Powell County schools by local law enforcement officers and the State Police after the threat was received at 11 a.m., police said.

Little Billy Smith was sick, and his friend came to see him every day. This touched his mother's heart.

One day, in a burst of emotion, she thanked him with tears for visiting her son so faithfully.

"That's okay, Mrs. Smith," he said. "But if Billy dies, may I have his new bike?"

How like so many of us! We're so selfish.

We're like an onion — layer after layer of self. Strip off self-seeking and you come to self-pleasing. Get beneath this and you come to self-will and self-glory.

May God save us from our selfishness!

A SPECIAL MESSAGE TO ALL THE PEOPLE OF THE 25TH SENATORIAL DISTRICT!

Tuesday is Election Day. The day you vote for the candidate of your choice. As you vote, ask yourself, do I want health care, do I want tax (State) free overtime so that my family may have a chance to live better? Do I want a State Senator who I can talk to with my problems and who will listen? Do I want someone that I can count on in Frankfort, who will work in our best interest, and will not sell Eastern Ky. down the river?

You are my friends & neighbors so, I am asking for your vote that we in the 25th district may finally get our fair share for the taxes we pay in Frankfort.

Wishing each of you Health, Happiness and Prosperity.

REMEMBER, The Great American Dream is alive it's just been taking a nap.

Thank you for your vote, it will not be forgotten

The Judge's Corner

By Tim Conley

Morgan County Judge/Executive

Hello from Judge Tim Conley and Staff:

As you are all aware, there has been an increase in break-ins throughout the county. These illegal activities are law enforcement issues. Like you, we read about them in the newspaper. However, you, the citizens, need to know how to protect your personal safety, as well as your personal property.

With drug activity on the rise in addition to fuel prices, people are stealing items that can be sold quickly such as gas, money, ATVs, small household items, etc. In today's world, many times we do not know our neighbors or who is traveling our roads. If there is any time that is right for increased vigilance, now is the time. We need to take back our communities and learn who is living around us and traveling through our neighborhoods.

In June (day and time to be announced later), we are going to have a "Neighborhood United" meeting to help us learn how to defend our property and livelihood. The purpose of this meeting is to educate neighborhoods on how they can come together to be concerned, caring and com-

mitted communities. This program has proven effective in re-establishing pride, opening communications between families, providing safety for children and keeping drugs out of the area.

Why is this important? The greatest defense against the onslaught of drug abuse and other crimes is through a united network of individuals working together to care for their neighbors. Neighbors United is based upon the Neighborhood Watch program, but is much more than a watchdog effort to catch criminals.

Operation UNITE officials believe that bringing neighborhoods together for a common purpose will increase communication among community residents and awareness of those around them. This in turn will provide a mechanism to address needs - particularly involving youth, the elderly and those who may have disabilities.

Through activities and meetings, neighbors will become more vigilant of suspicious behavior and strangers. Those wishing to commit crimes will think twice if they know that someone might be watching.

Spotlight On Drug Awareness

Local anti-drug groups confronting substance abuse in Morgan County

By Miranda Cantrell James

Increased drug usage in Eastern Kentucky has prompted many families to seek intervention for loved ones with substance abuse problems. Despite the demand for drug awareness services, many citizens do not realize that help is available locally.

The Morgan County Operation UNITE Coalition, KY-ASAP Local Board and Champions for a Drug-Free Kentucky utilize various community resources to combat substance abuse and educate people of all ages about the consequences of drug use.

Operation UNITE

Operation UNITE (Unlawful Narcotics Investigations, Treatment and Education) was established in 2003 by U.S. Rep Hal Rogers in response to a 2003 *Lexington Herald-Leader* report titled, "Prescription for Pain," which exposed drug abuse throughout his congressional district of Southern and Eastern Kentucky.

According to its website, UNITE rids communities of drugs through undercover narcotics investigations, coordinating treatment for substance abusers, providing support to families and friends of substance abusers, and educating the public about the dangers of drugs.

UNITE serves Bath, Bell, Breathitt, Clay, Floyd, Harlan, Jackson, Johnson, Knott, Knox, Laurel, Lawrence, Lee, Leslie, Letcher, Magoffin, Martin, McCreary, Menifee, Morgan, Owensley, Perry, Pike, Pulaski, Rockcastle, Rowan, Wayne, Whitley and Wolfe counties.

The Morgan County UNITE Coalition, headed by Chairperson Sharon Tharp, promotes community involvement as a drug prevention mechanism.

"Everyone must come together to solve the drug problem," Tharp said. "Drugs affect many different kinds of people everyday - regardless of age, social status, etc. The only way citizens can rid their communities of drugs is to take a united stand by regularly attending court hearings and drug awareness meetings."

Tharp noted that Morgan County UNITE offers a voucher program for substance abusers seeking rehabilitation.

"The voucher program helps drug users enter into rehabilitation programs for free," Tharp said. "Many families cannot afford treatment, and this program is a great public service to them. It is a one-shot deal, however. Participants must complete the program to qualify for additional free treatment."

UNITE officials also cooperate with law enforcement officials at every level through an anonymous tipline, which allows citizens to report drug activity in their neighborhoods.

"The tipline is a safe way to report suspicious activity that may be drug-related," Tharp said. "All information called into the tipline is kept anonymous; callers don't even have to give their names. The information is logged in a secure database so every tip can be investigated."

For more information about Operation UNITE, visit the website www.operationunite.org. To request drug rehabilitation and to report drug activity, call 1-866-90-UNITE and 1-866-424-4382. For more information about the Morgan County UNITE Coalition, contact Sharon Tharp at 743-4128.

KY-ASAP

KY-ASAP (Kentucky Agency for Substance Abuse Policy) was created by the Kentucky General Assembly in 2000 to reduce alcohol, tobacco and other drug use in Kentucky. The organization works with communities to help identify existing needs and resources.

According to the Kentucky Office of Drug Control Policy, there are currently 75 local ASAP boards that cover 113 of 120 Kentucky counties - including Morgan County.

KY-ASAP Morgan County Local Board Chairperson Kim Standafer said the group helps citizens apply for mini-grants to fund drug-free activities.

"Anyone in the community can come to ASAP to apply for a mini-grant," Standafer said. "We are involved in many school activities, such as Red Ribbon Week in October, and other educational anti-drug projects. Many local churches have also requested funding for youth activities, and we help them as well."

ASAP will also be involved in the upcoming Project Prom, a safe, drug-free post-prom party for high school students on May 24, and Safe Night USA 2008, an evening of outdoor activities for children in grades K-12 on July 19.

"We hope funding these activities will prevent drug use in the county's children," Standafer said. "The only way for kids to be aware of drug abuse if they are educated. ASAP's goal is to educate our youth, but in a way that is fun and exciting for them at the same time."

For more information about KY-ASAP, contact Coordinator Sharon Tharp at 743-4128, or visit the KY-ASAP webpage at <http://odcp.ky.gov/kyasap.htm>.

Champions

Champions for a Drug-Free Kentucky was established in 1986. Champions coalitions promote the prevention of alcohol, tobacco and other drugs, along with violence reduction in Kentucky communities. The organization provides state oversight and funding opportunities for community coalitions.

Statistics from the Kentucky Office for Drug Control Policy show that there are 95 Champions coalitions in 104 Kentucky counties functioning as substance abuse prevention catalysts, comprised of "people who care about the quality of life in their communities."

One such person is Morgan County Champions Chairperson Ryan O'Neal, who works closely with various groups to promote drug awareness among community youth.

"Drug education should start at an early age," O'Neal said. "That is why Champions has implemented several anti-drug programs for students in elemen-

tary school all the way through high school. One of our programs is called 'Too Good For Drugs,' a drug prevention curriculum in place at all local schools."

Champions is also involved in Operation UNITE clubs at each elementary school and the middle school, as well as the SADD (Students Against Destructive Decisions) club at the high school.

"The kids are very active in these groups," O'Neal said. "All of the UNITE and SADD club members put up anti-drug posters at their schools and participate in numerous activities. Some of the students recently attended a court session, which was a great experience for them."

For more information about Champions, contact Sharon Tharp at 743-4128, or visit the Champions webpage at <http://odcp.ky.gov/champions.htm>.

Getting Involved

Judge Executive Tim Conley, who is involved with UNITE, ASAP and Champions, said it is imperative for concerned citizens - particularly local youth and families - to possess a heightened awareness of substance abuse.

"All kids face peer pressure," Conley said. "It is important for parents to recognize the signs of drug use, and to not be too ashamed to request help for their children. Many adults also have drug problems. We should always be prepared to help any adult relatives and/or friends we

suspect may be using drugs."

Conley said neighborhood watch groups, churches and faith-based organizations are essential in confronting the region's drug problem.

"We need to take care of our neighbors," Conley said. "Neighborhood watch groups are a great way to do that. Noting suspicious activity can help prevent drug activity, as well as other crimes such as burglary. There is more involved in neighborhood watch than just putting up a sign on the street, however. Watch participants must follow through to protect their families and friends."

"Churches are also very important in the war on drugs. This problem can't be solved by ourselves, or by the government. It will take the power of God to clean up our communities, and I am asking all churches to join our citizens and anti-drug groups in this effort. It is amazing what can be accomplished when we all work together."

Local anti-drug groups meet the first Wednesday of every month in the county government building's fiscal court room at the following times: ASAP, 12 p.m.; UNITE, 1 p.m.; and Champions, 2 p.m. The public is invited to attend these meetings and participate in group activities.

THESE PRAYERS WE OFFER

Dear God,

Where there is darkness we pray there will be light, wherever there's justice may justice be in sight. Where there is great oppression may freedom soon be near. We pray for understanding and to the end of fear. Where there is utter hopelessness, may hope be born anew, may we show more compassion as you would have us do. Where there is strife and hatred, may there be peace, and love. These prayers we humbly offer to you dear God above. (Submitted by Alpha Clevenger)

In Memoriam

In Memory Of Our Beloved Mother, Cynthia Stevens, on Mother's day "The Promised Land"

When times were hard and seemed so bad, you never gave up, you gave all you had. You put life in God's hands, now He's leading you through the promised land. You've got a new body with no aches or pain, and you'll never be sad, or suffer again. your eyes sparkled with so much love. Now they sparkle in Heaven with the stars above. We loved you so much and hated to see you go, but you're in a better place where we would all love to go. God blessed us with you for a while, and now you're in Heaven with a wonderful smile.

In my thoughts and memories I always seem to find the picture of your face. Mom, the memory of your touch and all the other little things I've come to treasure so much you cannot go beyond

my thoughts or leave my love behind. Because I keep you in my heart and forever on my mind. Mom we love you, and miss you so much.

Sadly missed and lovingly remembered by your daughter, Alpha Clevenger. God bless you dear, sweet mother in heaven. Someday we'll meet you up there and will never have to part, and be happy forever more.

Following is a little poem my mother wrote and sent to me a long time ago--

*When the golden sun is setting
and your heart from care is free,*

*While for others you are
praying say a little prayer for me.*

I have kept this little poem and treasured it all these years.

CARD OF THANKS

A special thanks to Betty and Dale Smith for their beautiful singing and choice of songs, Potter Funeral Home for their kind and efficient service, the ministers Tivis Ison, Mark Long, and Billy Joe Conley for their kind and consoling words, and to the ladies for a delicious meal. Ethel touched many lives during her life, and she will always be remembered for her kindness to everyone she came in contact with. This has been a great loss, but we know she is in heaven and some day we will see her again.

Thanks again!

2008 MCHS Senior Trip – New York City

Nineteen students spent a fun-filled week in New York City celebrating the end of high school years on their senior trip. The group departed from Ashland via Amtrak early Sunday morning, April 27, and traveled 15 hours on the train before arriving in Newark, N.J. late that night. While on the train, the students traveled through scenic country in West Virginia and Virginia. The train also passed through Washington, D.C., Baltimore, and Philadelphia, providing great sight-seeing.

Monday began the first of four days in the city. Monday's activities included a bus tour of uptown Manhattan, lunch at Rockefeller Center, visits to St. Patrick's Cathedral, Grand Central Station, dinner at Planet Hollywood, and Times Square.

A trip over to Liberty Island and the Statue of Liberty was the first thing for Tuesday morning. Everyone in the group had a monument pass allowing access into the statue monument pedestal. Since Sept. 11, visitors are no longer permitted to go up into the statue itself. The group made its way through lower Manhattan to South Street Seaport for lunch. From there they walked across Wall Street to see the New York Stock Exchange and the famous "Bull." Next a stop at Ground Zero for a reflection of the events of Sept. 11 as well as a viewing of the construction now taking place for the new World Trade Center. Next stop was the Empire State Building, where students were able to take in magnificent views of the city from the 86th floor. Tuesday night was capped off with a trip to historic Yankee Stadium to see the Yankees take on the Detroit Tigers.

Wednesday began with a trip to the Metropolitan Museum of

MCHS seniors posed for a photo during dinner cruise around New York Harbor.

Art. Students were able to see and explore the many exhibits of the museum as well as have lunch. After leaving the museum, they rode the bus down 5th Avenue and stopped for some shopping and sight-seeing at some of the world's most famous stores. They continued their shopping experience at Macy's, the world's largest department store. The students were able to see Herald Square and the television "spot" for the Macy's Thanksgiving Day Parade. After catching a bite to eat at Macy's or Herald Square, they traveled to Times Square and "Broadway" to see the musical "Mamma Mia!"

The Museum of Natural History was on the agenda for Thursday morning. After viewing the sights and exhibits of the museum they traveled to Chinatown and Little Italy for both the experience of the existing cultures and some final souvenirs. The highlight of the trip was a dinner cruise around the New York harbor Thursday evening. Students

were treated to a full course meal with both live and DJ entertainment. The dinner cruise provided wonderful views of the lights in the city and a close-up view of the Statue of Liberty at night.

The group departed very early Friday morning for the train ride back to Ashland. During their stay they had wonderful hotel accommodations in Newark and used public transportation (both the PATH trains and MTA subways in buses) to get around during their visits. A GREAT time was had by all!

The students who went on the trip were Chelsea Adams, Kaleb Ball, Mandy Frederick, Sandy Frederick, Hannah Fugate, Ashtyn Goforth, Tyler Howell, Chassidy Ison, Ben Launkittis, Justin Leach, Stacey Lewis, Justin McClurg, Lacy May, Jenna Montgomery, Evan O'Neal, Bentley Patrick, Brittany Roy, Bennett Standafer, and Kendra Whitt. Chaperones were Keith Holbrook, Lori Keeton, and Janell Potter.

Celebrity Waiters Dinner a Success at Sarah's Place

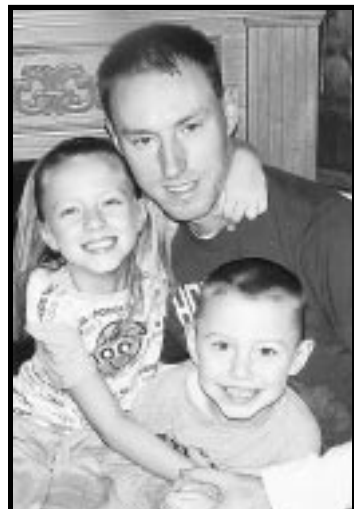

SANDY HOOK — Thursday, May 1, turned out to be an evening that will be remembered with smiles and laughter for weeks to come. Friends, family, and local community leaders gathered at the Elliott County High School cafeteria to partake of food, fun, talent, fellowship, song and dance in support of Sarah's Place Resource Center.

A delicious meal of chicken/dumplings, dressing, green beans, coleslaw, cornbread and sweet potatoes was prepared by Kay and Connie Harbie, Deitra Howard and Dawn Sloas. Waiters kept drink glasses filled, food flowing and entertained the crowd. For tips that is. Wardens John Motley and Joe Meko wowed the crowd with their rendition of Frank Sinatra plus some added moves that were all there own. They had a friendly competition as to who would obtain the most tips. Joe Meko won by a slim one dollar bill.

Ethan and Evan Faulkner showed their "off court" moves by attempting the hoola-hoop and reciting the Pledge of Allegiance. Sisters Marita and Sally acted out nursery rhymes; Cindy Faulkner led the hokey pokey and Sherry Mathis led the crowd in a rousing rendition of the YMCA. Billy Hough and Travis Stacy "attempted" to hoola hoop. Don't quit your day job, guys. Ronnie Copley, Benita Adkins and Beth Logan showed they were multi-talented and decent singers to boot. Gay Maggard recited a hilarious version of "I'm a little PeePot."

Billy Hough of Kentucky Bank won the award for collecting the most in tips. He issued a challenge to Travis Stacy of Bank of the Mountains to match this amount. Travis met the challenge.

The evening ended with laughter and a pledge to do this again next year. We would like to issue a special thank you to everyone involved in making this night a success. A grand total of approximately \$7,000.00 was raised from ticket sales and tips. Without you, this night would not have been possible. God bless you all and God willing, we will meet again next year.

Motorcycle Safety Tips

May is designated as Motorcycle Safety Awareness Month in many cities, counties and states across the nation. The goal of this is to increase public awareness of motorcycles on the highways. Studies have shown that about 2/3 of all accidents involving motorcycles and cars are the car driver's fault. In most of these accidents between cars and motorcycles, the motorists claim they did not see the motorcycle.

There are 184,425 motorcycle registrations in the state of Kentucky. Motorcycle safety courses teach the rider basic street riding strategies and how to maneuver their motorcycle in a variety of special situations.

As the weather gets warmer and more motorcycles are on the road, we urge you to **look twice, save a life** and share the road.

What all drivers should know about motorcycles

- Motorcyclists often slow by downshifting or merely rolling off the throttle, thus not activating the brake light. Allow more following distance, say 3 or 4 seconds. At intersections, predict a motorcyclist may slow down
- without visual warning.
- Turn signals on a motorcycle usually are not self-canceling, thus some riders, (especially beginners) sometimes forget to turn them off after a turn or lane change. Make sure a motorcycle's signal is for real.
- Motorcyclists often adjust position within a lane to be seen more easily and to minimize the effects of wind, road debris, and passing vehicles. Understand that motorcyclists adjust land position for a purpose, not to be reckless or show off.
- Because of its small size a motorcycle seems to be moving faster than it really is. Don't think motorcyclists are speed demons.
- Because of its small size, a motorcycle may look farther away than it is. When checking traffic to turn at an intersection, predict a motorcycle is closer than it looks.
- Because of its small size, a motorcycle can easily be hidden by objects inside or outside of a car, such as: door posts, mirrors, passengers, bushes, fences, bridges, blind spots, etc. Take an extra moment to thoroughly

check traffic, whether you're changing lanes or turning at intersections.

- Mirrors are smaller on a motorcycle and are usually convex, thus giving a motorcyclist a smaller image of you and making you seem farther back than you really are. Keep at least a three or four second space cushion when following a motorcyclist.
- There are a lot more cars and trucks than motorcycles on the road, and some drivers don't "recognize" a motorcycle and ignore it (usually unintentionally). Look for motorcycles, especially when checking traffic at an intersection.
- At right, single headlights and taillights of motorcycles can blend into the lights of other traffic. Those "odd" lights could be a motorcycle.
- When a motorcycle is in motion, don't think of it as a motorcycle; think of it as a person.

Trusty named 16th Region Athletic Director of Year

High Shool Athletic Director also finalist for state's top award

By David Patrick

Chris Trusty has been named the 16th region's athletic director of the year, according to the Kentucky High School Athletic Directors Association.

Trusty was recognized at the organization's annual awards banquet at Papa John's Cardinal Stadium, in Louisville. While in attendance, Trusty was also one of only five finalists statewide for Kentucky's athletic director of the year, which was won by Mason County's longtime Fred Hester.

"I'm very honored to represent Morgan County and the 16th region," Trusty said. "To be considered one of the top athletic directors in the state is very overwhelming. I certainly appreciate those who nominated me."

Trusty has nine years experi-

ence in athletics, with the last two as athletic director. He says his fondest memory was retiring the number of former Morgan County All-State quarterback Bill Allen. He's also witnessed a district championship for the Lady Cougar volleyball team, as well as, back-to-back regional championships in tennis.

"It's a privilege for me to serve as AD at my alma mater," Trusty said. "I'm proud of all our sports teams and the manner in which they represent Morgan County. This award reflects their accomplishments and the long hours put in by our entire administration."

Other awards included the Outstanding Coach Award, which was presented to veteran Dunbar High School soccer coach Todd Bretz. South Oldham athletic director Mitchell Irvin took home the State Award of Merit. Elliott County's Rick Mays was given a 25 year Certificate of Merit.

West Liberty Christian Church "A" — Second place. Front from left, Susan May, Rhonda Dunn, Barb Weddington, Cathy Litteral; second row from left, Scotty Fugate, Jackie Prater, David Earl May, Wendell Williams, Langley Franklin, David Joe Litteral, Isiah Prater and Joseph Litteral.

After falling in the finals of the winners' bracket, to West Liberty Christian Church "A" team, Woodsbend Community Church battled their way out of the losers' bracket and beat Christian "A" four straight games to win the double-elimination Church Volleyball League Post Season Tournament.

Charity Church from Morehead placed third.

Zag Community Church was selected by league vote for Best Sportsmanship for the League Tournament.

Woodsbend also finished first in regular season play with Christian "A" second.

Teams competing in the Church Volleyball League this season in addition to Woodsbend, Christian "A" and Charity were Lacy Creek Church of Christ, Christian "B" Youth and Zag Community Church.

All participants in this year's Tuesday night league enjoyed playing and would like to thank Mark and Heather Johnson for operating the league this season.

Morgan County Track 2008 Morgan County Invitational April 29, 2008

On April 29, Morgan County Track hosted a Middle/High School Meet with Menifee and Magoffin counties. To the best of the coaching staff's knowledge it had been several years since Morgan County had hosted a meet. There was a good turnout of fans and volunteer help. The middle school girls and boys both placed first in the meet.

Laken Cantrell placed first in both the shot and discus events. Newcomer Gabe Lewis did well in both events and is improving with each meet.

The boys HS team placed first in the meet. The girls placed a close second to Menifee. The entire team is working hard in practice and at each meet to improve and get better. Several members have a strong chance of doing quite well in the regionals and making it to state. The future looks bright for the mixture of elementary, middle school and high school participants. COMMUNITY BULLETIN BOARD

Tom Ratliff to be guest speaker at Woodsbend Ch.

I am delighted to inform the readers of this paper that I have been invited to be the guest speaker at the Memorial Day Homecoming Service at the Woodsbend Community Church on Sunday, May 25. My remarks will be centered around the meaning of Memorial Day, my father, Ova W. Ratliff's time in World War II, and both of the books I've authored.

Many Morgan Countians know, I have written two books. The first, *I Can Hear The Guns Now*, is about my father's time in World War II, and my latest, *Now I Know--A War Orphan's Journey of Discovery*, is about my journey as I discovered what really happened to him.

I consider it a great honor to be included, and represent the Ratliff family, in the upcoming Memorial Day Homecoming Service. Woodsbend is the place of

my birth, along with the birth of my father, his parents, his grandparents, and several generations before them. The Woodsbend area has a long history of being the Ratliff family ancestral home. Our family's existence in the area has been traced to the early 1800's. Going all the way back to Reuben Ratliff, a Revolutionary War Soldier. Reuben Ratliff would be my great, great, great grandfather. Reuben is buried high on a hill in the Old Caney Cemetery, at Caney, Kentucky. In 1990 the Daughters of The American Revolution, in a ceremony attended by a number of Reuben's descendants, placed a bronze plaque at his gravesite to pay tribute to his service to our country. Even though I don't live there, one can see that I am from a long line of Ratliffs born in the Woodsbend area. I am grateful and highly honored to stand in for the Ratliff family at this homecoming.

I urge everyone to attend this special homecoming event. After the Memorial Day Homecoming service, the Woodsbend Community Church will be hosting a book signing. I will have both of my books available there. Both books can also be securely purchased on the Internet at: www.warorphansjourney.net.

Submitted by: Tom Ratliff via Woodsbend Community Church.

The arrival

When the graveside service had no more than terminated, there was a tremendous burst of thunder accompanied by a distant lightning bolt and more rumbling thunder. The little old man looked at the pastor and calmly said, "Well, she's there."

Research project offers opportunity for local students

Morgan County Schools are participating in the Kentucky Database Initiative project. In this program, cancer researchers are running cancer research on the computers in the Morgan County Schools and showing the students limitless possibilities for their future.

One of the ways students can learn about technology is through a program called STLP (Student Technology Leadership Program). A state competition in Lexington on May 7, one of the participating high schools of the Kentucky Database Initiative Project won because of the website the students built which features the cancer researchers who use their school's computers.

This opportunity is available for the students in the Morgan County School District as well since they participate in the Database project and it is hoped they might discover the limitless possibilities that they can have as well.

For more information, call (502) 292-6722 and ask for Henry Hunt.

Concert to raise funds for Ethan Cory Prater Scholarship Fund set

Ethan Cory Prater, son of Tammy Prater-Miller, passed from this life on July 27, 2003. Ethan was a Neonatal Intensive Care baby after birth due to complications. A perfect 8 lb. boy a person would have thought to look at him. Ethan died at birth due to lack of oxygen and blood to the brain during delivery which unfortunately caused him to be severely disabled. Doctors' long term prognosis for Ethan was 3-5 years, but by the "Grace of God" he lived to be 11 years old before passing this life.

Ethan attended school at Cannel City Elementary for 5 years. His mother wanted to give him the opportunity to have a normal lifestyle as much as possible. She wanted him to be around children his own age. Ethan touched so many lives while at CCE, and his mother believes it taught those students a life lesson that everyone is different and not the same, and not to make fun of others who are different. The children at CCE treated Ethan with the utmost respect and dignity. They befriended him like any other student, as well as the teachers. The students read to him, played with him, and helped him with a hands-on approach to learning. "I cannot express how I feel about those students, teachers, and staff that accepted him for him, and helped us along the way," says Tammy Prater-Miller. "The students were dear to Ethan's heart and mine."

In honor of Ethan and all of his peers alike, my family and I decided to organize the Ethan Prater Memorial Scholarship Foundation to give a graduating

senior a scholarship in memory of Ethan. In forming a committee, Leshia Chapman and Tammy Prater-Miller were designated as Chair of the Foundation, and Matthew Prater was designated as Treasurer. Leshia, Tammy, and Matthew are all employees of the Morgan County Board of Education.

The recipient will be chosen by guidelines set forth by the foundation, and will be chosen during their eighth grade year by a committee of teachers and representatives of the foundation. Ethan's graduating class graduated eighth grade this past year in May of 2007.

The first recipient chosen to receive this scholarship was Whitney Bailey, daughter of Beccum and Paula McCarty-Bailey, of Cannel City. Whitney was not only Ethan's classmate, but a special friend. Whitney plans to go to college and must meet GPA guidelines to receive the scholarship her senior year.

Bands scheduled to perform at the fundraiser set for Saturday, May 17, from 2 to 11 p.m., at Morgan County Middle School, are BLESSED, Sandy Hook; Chelsea Renee, West Liberty; Crystal Benton, Cannel City; Opussum Trot Blues Band, Morehead and West Liberty; Lynette Easterling Robinson, Belbrook, Ohio; Derek and Brittney Lehman, Belbrook, Ohio, Larry Adams Band, West Liberty; and Southern Access, Beattyville and West Liberty. Please check paper for additional bands to be added to the entertainment lineup.

Your Social Security

Nearly every American is very familiar with at least one important aspect of Social Security--his or her Social Security number. Most of us know that number by heart, but otherwise never give it much thought. There is a lot of history and trivia behind the Social Security number and card. Here is a handful of interesting facts:

- The artist who designed the original Social Security card in 1936, Fred Happel, of Albany, N.Y., also designed the famous "Flying Tigers" logo used by General Chenault's forces during World War II.

- There are about one billion possible Social Security number combinations.

- Approximately 442 million Social Security numbers have been issued since 1936. About 280 million of those numbers remain active. Social Security does not reuse Social Security numbers.

- Social Security assigns about five and one-half million new numbers each year.

- Generally speaking, you are limited to three replacement Social Security cards in a year, and 10 during your lifetime. There are some exceptions.

Here is one more fact bout the Social Security card and number that everyone should know: There is never a charge for getting a new or replacement Social Security card or for chaning your name with Social Security. Please remember this if you ever get offers from "middlemen" who want to charge you a fee to help you get a Social Security card or number or change your name on your Social Security card and records.

Another important thing to remember is keep your card in a safe place, with your important papers. You should not carry it with you unless you know you are going to need it, such as for a new employer. And do not give your Social Security number out to just anyone. Safeguarding your Social Security card and numbe will go a long way to keep your identity safe.
